

# WCPS Health Clinic Information for WCTA Members

## November 2024

From WCTA President  
Carol Mowen

**Updates from the November 11, 2024  
WCPS Healthcare Committee Meeting**

**No CoPay  
Wellness  
Check-up**

**No  
CoPay  
Urgent  
Care**

The new WCPS Health Clinic for WCPS employees and their dependents who are enrolled in the WCPS medical plan with Cigna is open! Here are some highlights and announcements to note for those who are using the clinic and for eligible users:

- Pediatric care can start at the age of 3. Children under age 3 will need to see their pediatricians to receive their childhood immunizations and wellness checks. **HOWEVER, children under the age of 3 can come to the clinic for sick visits with their parents and/or older siblings.**
- The appointment portal **does not show all available appointments** so that urgent care / sick visits can be available each day in the 5 and 6 pm hours. If you need to get a same day appointment after the school day, please call the clinic directly.
- The clinic has some flex "before hours" times for bus drivers or other staff whose work schedules dictate a before 7 AM need. Call to discuss a specific need to see if an accommodation can be made.
- About 1 in 6 eligible staff are enrolled in the WCPS Health Clinic thus far. Please consider signing up so that WCPS can realize the savings projected.

### IN PERSON AND TELEHEALTH CARE

Appointments taken at the online portal or by phone.

### VACCINATIONS & LAB SERVICES ONSITE

1125 Opal Cr., Suite 1004  
Hagerstown, MD

The center is funded by the WCPS self-insurance fund, not the general budget, and is a model that's been implemented in several counties across the state. Financial modeling shows the center could be saving the self-insurance fund \$3 million per year by the end of the five-year contract. It is WCPS' goal to keep medical premiums low for employees with this cost-savings.
