

Candidate Bio Regarding Qualifications for MSEA RA 2025 & HS Member-at-Large

Hello! My name is Harley Smith and I am the Library Media Specialist at South Hagerstown High School. I am a former high school ELA teacher. This year I am seeking election for both MSEA RA and HS Member-at-Large! I have attended MSEA RA in person three times (and once virtually) and NEA RA in person twice (and once virtually). I would like to continue doing the work I've started at the assemblies to ensure our students and ALL staff receive what they need in order to live out their lives how they wish. We are all worth fighting for, attending MSEA RA and being an advocate is another way I am able to make sure Western MD, WCPS, and our students and staff are taken care of. Thank you for your consideration!
